Sodomy: Any abnormal sexual intercourse – such as between persons of the same sex
(anal copulation between males or with women, intercourse of women with women, adults with children, or a person with an animal). The word "Sodomite" is derived from the account of the destruction of the city of Sodom in Genesis 19. The biblical meaning of sodomy covers all the modern perversions (i.e., homosexual = "gay" men & lesbians).

Sodomy:
1. Anal copulation of one male with another.
2. Anal copulation with a member of the opposite sex.
3. sexual intercourse of women with women.
4. sexual intercourse of adults with children.
5. Copulation with an animal – also called bestiality
(Exodus 22:19: Whosoever lieth with a beast shall surely be put to death.)

Deuteronomy 23:17: There shall be no whore of the daughters of Israel, nor a **sodomite** of the sons of Israel (i.e., such incurred the death penalty: see Lev. 20:13 following)

If a man also lie with mankind, as he lieth with a woman, both of them have committed an **abomination**: they shall surely be put to death; their blood shall be upon them.

Deut. 23:18 Thou shalt not bring the hire of a whore, or the price of **a dog** into the house of the LORD thy God…for even both these are **abomination** unto the LORD thy God.

Hebrew for dog = כֶּלֶב = *keleb*: a male prostitute or a *sodomite* (Deut. 23:17 above) and compared to a dog because of the similar way in which they mount for copulation.

1 Kings 14:24: And there were also **sodomites** in the land: and they did according to all the **abominations** of the nations which the LORD cast out before the children of Israel.

1 Kings 15:12: And he (King Asa of Judah) took away the **sodomites** out of the land (i.e., he slew them, see Lev. 20:13 above), and removed all the idols that his fathers had made.

1 Kings 22:46: And the remnant of the **sodomites**, which remained in the days of his father Asa, he (King Jehoshaphat of Judah) took out of the land (he slew, cp. Lev. 20:13)

2 Kings 23:7: And he (King Josiah of Judah) brake down the houses of the **sodomites**, that were by the house of the LORD, where the women wove hangings (screens, behind which they conducted their impure rites) for the grove.
(Hebrew for grove = אֲשֵׁרָה = *Asherah* = Strong's Concordance #842)
Asherah is the singular Hebrew form of the name of an Amorite or Canaanite fertility goddess. She often appears in the ancient literature having the title "Lady" (e.g., Lady of the gods) and is the source whereby the Church of Rome addresses their "Mary" as the "Lady of …" or "our Lady" (Lat. = *Notre Dame*).

The school's full name is The University of Notre Dame du Lac. In French, Notre Dame du Lac means "Our Lady of the Lake"; thus revealing that the true source of the university's patron saint is not the biblical Virgin Mary – mother of Christ & wife of Joseph the carpenter. She is the ancient "our Lady" goddess Asherah (aka Astarte or Asheroth).

When not the name of a deity, Asherah refers to a wooden pole that stood at Canaanite places of worship (Exo. 34:13) and was regarded as the wooden symbol of that goddess. Such was erected beside the altar of Baal (Judg. 6:25 & 28) and was Baal's consort.
